

# Contact Information for Tenants'

This procedure is intended to improve efficiency and to minimise misunderstandings

For **URGENT MAINTENANCE** please contact directly the trades' people listed

For **NON-URGENT MAINTENANCE** please complete the form and click send at

[www.kingstonlettings.com/maintenance-request.html](http://www.kingstonlettings.com/maintenance-request.html)

## Contacting Procedure

Tenants requiring a service should,

1. Contact the appropriate division directly
2. Establish whether the tenants' or the landlord is responsible to pay for the costs

Note, except in an emergency

If the tenant is responsible, then the costs are to be paid directly to the trade person

3. Make an appointment time to meet at the property and make a note of the trade persons' name and contact details
4. Ensure to provide access at the property and check photo ID verifying names of trade people prior to providing access

Nb. cancellation fees are payable directly to the trades person if the tenant does not keep to the agreed appointment

**If a trade person is called out and the trade person informs that there is no breakdown or the tenant is responsible for the task, then the tenant is responsible to pay the trade person directly for the call out**

## Breakdowns & maintenance of central heating system including the boiler (24-hour call centre service)

Landlords'/agent **have already paid** British Gas Services under an agreement for the upkeep, breakdown, repair, and routine maintenance services

It is practical for the tenants' to call British Gas Services directly to avoid unnecessary delays, to provide access and to coordinate appointments

- 1 The tenant to call British Gas Services, the **automated system** will request for the telephone number (enter the reference landlords'/agents' phone number as 07872 450713)
- 2 Automated system will ask for your post code (provide tenants property post code), name of landlords / agents name (provide landlords name which is on the tenancy agreement), (**mention Landlord's account number 911000754200 or reference 1608949529 or BULK reference number C21167331**)
- 3 Once the details are entered British Gas Services systems will check their records for landlords'/agents' details
- 4 Once verified, tenants are able to speak to call centre personnel and make an appointment for the required works
- 5 If the tenant prefers to have time updates regarding the Engineer's visit then recommend providing the tenant telephone number to the call centre personnel
- 6 **To improve service levels highly recommend also to email and inform the details of the appointment on [info@kingstonlettings.com](mailto:info@kingstonlettings.com)**

## Contacting Approved Trades People

It is practical to contact trade people directly to minimise delays, to provide access and to co-ordinate appointments
