

## **Pests**

Clear and clean routine **daily** as below

Food on floors

Food on work tops

Food on toasters

Empty all bins

Put away all food in appropriate containers and place in cupboards

Sweep floors

Do not store food items on floors

Do not store clothe items on floors

Keep drains and gullies clean and clear

Keep gardens clean and clear

Any pest or vermin infestations caused by the above are the responsibility of the tenant

### **Pest controlling process plan is as below**

Normally Rodents attract to food and water and if there are no food and water less likely rodents will be attracted

### **tenant to ensure specifically as below regularly**

1 clear food items from floors

2 clear and clean food items from work tops

3 clean toasters

4 clear all bins

5 Put away all food in appropriate containers and place in cupboards

6 clear all hiding areas

7 check locations where rodents are spotted if any

8 do not keep food items open

### **Maintenance will arrive to check as follows**

1 block if any entry points and gaps

2 remove and check foot boards in kitchen

3 block any hiding points

**If the issue does not improve please contact pest controller as per the contact list**
